Criteria for selection of abstracts for oral presentation at symposia

- Topical – of widespread interest to current practice
- Novel and/or innovative work
- Robust and well-designed study
- Clearly written abstract, according to marking criteria

Notes:

Routine audits are not likely to be selected for oral presentation, but are welcomed as poster presentations.

The final oral presentation selection to cover a wide range of topics

Bryony Dean Franklin
Chair, R&D
25 November 2006
